

Drumming for Fun - A Social Skills Program

The Lunenburg Parents Advisory and the Autism Resource Center of Central MA announce a social skills program for area elementary aged students 8-14 on the Autism Spectrum and their friends.

Now accepting registrations

During group activities students with ASD are given the opportunity to enhance their ability in social communication while drumming for fun!

- **Where:** United Parish Building in downtown Lunenburg
- **When:** Thursdays from 4:15pm - 5:15pm
- **Cost:** \$30 payable to Autism Resource Center covers the cost of the 6-week program.

For more information contact Sandra Osborne, Program Coordinator 978-582-7650 or sandracosborne@aol.com

Music & Movement Group for Children with Challenges

A Social Skills Program

PACSAL also sponsors the Social Skills through Music & Movement Group for students with disabilities from **pre-school through 3rd grade**. Children must be verbal and mobile since there is a lot of movement involved. Children with limited function should bring an aide.

- **Where:** Leominster Library
- **When:** Thursdays from 4pm - 5pm
- **Cost:** \$30 payable to Autism Resource Center covers the cost of the 8-week program.

Both programs are open to students with in the Central Mass area towns. Funding provided by the Autism Resource Center of Central Massachusetts.

For more information call the Autism Resource Center 508-835-4278.
